**§ 922.62 Permit procedure and criteria.**

(a) Any person or entity may conduct in the Sanctuary any activity listed in § 922.61 if such activity is either:

- (1) For the purpose of research related to the Monitor, or
  - (2) Pertains to salvage or recovery operations in connection with an air or marine casualty and such person or entity is in possession of a valid permit issued by the Director authorizing the conduct of such activity; except that, no permit is required for the conduct of any activity immediately and urgently necessary for the protection of life, property or the environment.
- (b) Any person or entity who wishes to conduct in the Sanctuary an activity for which a permit is authorized by this section (hereafter a permitted activity) may apply in writing to the Director for a permit to conduct such activity citing this section as the basis for the application. Such application should be made to: Director, Office of Ocean and Coastal Resource Management; ATTN: Manager, Monitor National Marine Sanctuary, Building 1519, NOAA, Fort Eustis, VA 23604-5544.

(c) In considering whether to grant a permit for the conduct of a permitted activity for the purpose of research related to the Monitor, the Secretary shall evaluate such matters as:

- (1) The general professional and financial responsibility of the applicant;
  - (2) The appropriateness of the research method(s) envisioned to the purpose(s) of the research;
  - (3) The extent to which the conduct of any permitted activity may diminish the value of the MONITOR as a source of historic, cultural, aesthetic and/or maritime information;
  - (4) The end value of the research envisioned; and
  - (5) Such other matters as the Director deems appropriate.
- (d) In considering whether to grant a permit for the conduct of a permitted activity in the Sanctuary in relation to an air or marine casualty, the Director shall consider such matters as:
- (1) The fitness of the applicant to do the work envisioned;
  - (2) The necessity of conducting such activity;
  - (3) The appropriateness of any activity envisioned to the purpose of the entry into the Sanctuary;
  - (4) The extent to which the conduct of any such activity may diminish the value of the Monitor as a source of historic, cultural, aesthetic and/or maritime information; and
  - (5) Such other matters as the Director deems appropriate.
- (e) In considering any application submitted pursuant to this section, the Director shall seek and consider the views of the Advisory Council on Historic Preservation.
- (f) The Director may observe any activity permitted by this section; and/or may require the submission of one or more reports of the status or progress of such activity.
